

Chiropractic Position available in sunny Devon and Cornwall.

A full-time position has become available with time shared between Duchy Chiropractic Clinic in Bodmin, Cornwall and Okehampton Clinic of Chiropractic and Osteopathy, Devon. We would be looking for someone to be able to start mid-April/May if possible.

The applicant must be a team player who works well with both members of staff and other Chiropractors in part of a multi-disciplinary clinic. We are both long-established clinics, based in small communities and are therefore friendly and family-orientated with the majority of new patient referrals being word of mouth.

The hours will be split between the two clinics and will include working on Saturdays. There will be the additional opportunity to boost income/patient numbers by covering maternity leave at the end of September in Bodmin.

Don't hesitate to ask any questions you may have relating to this role. Please send your CV and a cover letter to:
