

For a Lifetime of Good Health

Carla How DC, FRCC, FBCA, FEAC is looking for a chiropractor to take on a current patient list at her multi-disciplinary clinics across the Borders of Scotland & England.

We are looking for a keen, motivated team player, who is willing to help develop the clinics and has an interest in working at outside events with Scotia. As an employed chiropractor, you will earn a salary directly related to patients seen, with 6 weeks paid holiday, a generous ongoing training allowance and the support of a professional and dedicated administration team. Our clinics at St Boswells, Peebles and Wooler have modern facilities to maximize patient care.

All clinics are situated in a rural location with road links to Edinburgh and the main towns of Galashiels, Jedburgh and Kelso.

The clinics have chiropractors, sports and remedial therapist & chiropodist on site.

Our current patient database is now over 15000 and rising all the time!

We also attend events both locally and nationally.

Carla is a PRT trainer
