

# CHIROPRACTIC<sup>e</sup>

THE CLINIC @ HOLYWOOD

139 HIGH ST HOLYWOOD BT18 9LG tel: 028 9042 1511

Motivated, happy, full time or part time Chiropractor wanted for well established, multi disciplinary clinic in Holywood, Northern Ireland. We're a beautiful, popular, quirky, foodie, seaside town, on the busiest commuter route, about 5 miles from Belfast.

There is a patient base to be taken over. I've plenty of experience to pass on, and love learning extras from therapists from different backgrounds and varying experiences.

We currently have 1 full time and 1 part time Chiropractors, a physiotherapist, massage therapy, podiatry, reflexology and Ayurveda etc. We also enjoy great relationships with local doctors, physiotherapists, personal fitness trainers and kinesiologists amongst others.

I've worked with a few graduates doing PRTS in the past, so new grads, post grads and experienced Chiropractors all are welcome to apply. **We're happy to negotiate guaranteed minimum and accommodation package, if needed.**

I've been involved extensively with projects like the Getwell NHS project, and was Chairperson for our faculty of the Royal College of Chiropractors for 7 years.

If interested please contact Suman Kaushal with your CV...
