TODDLERS TO TEENS: WHY 'THE TEMPER TANTRUMS'

SATURDAY 21ST AND SUNDAY 22ND SEPTEMBER 2019
HOLIDAY INN BIRMINGHAM M6 JCT7, BIRMINGHAM B43 7BG

EVENT OUTLINE

Attend this seminar to learn more about how the young child develops through height, mobility, intellect, emotions & personality. This is a stand-alone seminar but is a must carry on from Toddlers to Teens.

We will review development & important age-related deviations, key childhood stages, and getting involved in your community. This will include nutrition, sleep, consent, every child matters policies and child protection. We will also review dyspraxia, hypermobility and the paediatric spine, plus Osgood Schlatters disease, tibial torsion, shin splints and pronation/supination of hands and feet with reference to appropriate referral routes.

LEARNING OUTCOMES

- Recognise key developmental stages
- Identify orthopaedic conditions often seen in paediatric clinic
- Understand appropriate referral routes
- Evaluate clinical techniques

SPEAKER: Deirdre Edwards FRCC (Paeds)

Deirdre has specialised in maternal and child healthcare since 1975, initially in the NHS, at the first UK-based multi-disciplinary and multi-agency paediatric assessment day unit in the UK, then Health Visiting for 16 years prior to chiropractic. Deirdre, a Fellow of the RCC's Pregnancy and Paediatrics Faculty, founded Abacus Chiropractic Clinic in Stratford upon Avon, with paediatrics forming 65% of its footfall.

Deirdre has held numerous positions within the RCC plus National and International Associations, as well as External Examiner and Advisor both in the UK and Canada. She has appeared on Breakfast television, has participated in many radio broadcasts, has published academic papers and presented her findings to midwifery, health visiting, paediatric, sleep and chiropractic symposiums. She has taught at pre & post graduate level and hosts unique teaching clinics in Stratford.
