

Health Inc are recruiting a Chiropractor / Osteopath

We are a growing private health company based in East Yorkshire that offers its employees:

Excellent rates of pay – employed staff get the benefits of holiday pay, sick pay and pensions with an additional bonus scheme to reward you for hard work.

Paid insurance and union fees – we all know how expensive insurance can be especially for new graduates so let us take the stress away.

Flexible working hours - Hate getting up for work in the morning? Perhaps you want a 3 day weekend? being a small team means its easier for us to arrange working hours that suit everyone. We can even work around further studies!

Regular informal staff meetings – feel like you can make a huge contribution to our communities health and wellbeing? Your input is important and we promise to listen, adapt and grow together.

The Company: Health Inc is a small company which means working as a close-knit team. We are well known for the great care we take with our patients and employees alike.

We believe health is a human right. Everyone should have access to a highly trained, motivated team who not only provide pain relief but educate and empower individuals to make healthy lifestyle choices.

The Position: We are looking for a chiropractor, osteopath or MSK physiotherapist (must be skilled in spinal manipulative therapy).

Available immediately.

The pay range we are offering is [30 – 70k].

As well as;

Investing in your development - by paying for exam / tuition fees. Are you looking to further your knowledge, perhaps you want to study paediatric chiropractic, animal chiropractic, or a specific technique?

Investing in your fitness – Our team are healthy, energised staff. We want you to be too which is why we will pay your gym membership.

Investing in your health – Want to feel refreshed and ready to tackle the day? Imagine having free weekly treatments as a company perk!

Requirements:

Minimum Bsc(hons) degree and good experience in spinal manipulation and mobilisation techniques.

The Location: Health inc. is based in East Yorkshire. A great place to live with many rural villages, gorgeous Georgian buildings and the best of both worlds being close to the maritime city centre of Hull.

Being located in the small village of Cottingham means you are close to public transport links (local train and bus stops), the village is great for taking a lunch break with many coffee shops and cafes and has a great community feel.

Why Should You Apply?

- Top industry pay
- Great benefits
- Flexible working hours
- Opportunities for on-the-job training
