

Associate positions at Aligned Chiropractic - Hexham

After significant growth in the practice over the last 12 months despite the logistical difficulties in navigating the C19 restrictions and lockdowns, we are looking at expanding our team to include two associate Chiropractors.

The Practice

- Established in 2008 - large Georgian building, own car park and adjacent to a lovely park
- Principal Chiropractor is a trainer for the Royal College of Chiropractors PRTS
- Multi award winning
- Highly trained CA's
- DR x-ray facilities
- Myovision sEMG scanning
- Good flow of new visitors
- Robust marketing program
- Large, spacious, open plan adjusting area
- Orientation/examination room
- Exercise studio
- Online yoga/Pilates/strength & conditioning programs

Lifestyle

The practice is in the lovely market town of Hexham in Northumberland. In terms of lifestyle, Hexham offers the freedom of country living, whilst being just 20 minutes from the bustling,

cosmopolitan city of Newcastle. For the outdoor enthusiast, Hexham is the perfect location for access to skiing (yes, we have our own ski fields 30 minutes away!), surfing beaches, coastline walking, sailing clubs, diving centers, horse riding schools – we really have it all!

Who we are looking for

We are looking for enthusiastic team players who are prepared to 'play at 100%' and determined to become quickly proficient and successful in practice. A strong wellness-based philosophy is essential.

What we are offering

The principal Chiropractor will be spending more time working 'on' the business and will be able to provide full mentoring and coaching in all things practice. Additionally, the associates will benefit from Aligned Chiropractic being part of an elite 'inner circle' mastermind coaching group.

The practice can assist with initial living expenses, GCC registration fees, professional liability insurance and membership subscription with the UCA.
