

Bournemouth Chiropractic Clinics Fordingbridge

ASSOCIATE CHIROPRACTOR WANTED

This position can be full or part-time covering clinics in Bournemouth & Fordingbridge (or just one clinic) depending on how many hours you want to work.

(Immediate Vacancy but willing to wait for the right person).

Are you newly qualified and want to grow more?

Are you earning £40k in your first year?

Are you in love with Chiropractic? – you should be, it's the best profession ever. Helping thousands of people getting better and enabling them to live their lives fully without pain. What a gift we have. It gives us such a buzz that we just want to treat more and more patients.

We have a long record of being in business (24+years) and have developed many referral programmes over the years. One of our brilliant associates has moved up North and we need someone to fill those shoes because we can't take on anymore new patients ourselves. Speak to them to find out how they feel about our company.

Your diary will be full of new patients, but don't worry we will train you to get the best out of your performance and impress your new patient from Day 1.

Full training and support will be given to you and we can do the PRT training programme with you whether that is for the first time or on a continuing basis from another clinic.

If you want a successful career, join us. We have been training graduates for many years and know how to get you there.

The successful applicant will have the following attributes:

- Thrive on personal and professional development.
- Have the drive to grow and want to be successful.
- Have great energy and a positive outlook.

- Looks for solutions and not problems.
- Results focused.
- Fast Learner.
- Able to adapt and take on new concepts to quickly apply to your practice.
- Confident and have a love of Chiropractic.
- A team player.

Your GCC fees will be paid for by us for your first year.

This vacancy is also open to those who are not new graduates too.

In the first instance please call Janis on 07733 364832 to have an initial discussion and then we can arrange a face- to- face meeting to view the clinics which will take place over a weekend.

You can also email your interest to janislaking99@gmail.com and submit any questions you might have.

We look forward to hearing from you.
