## Great associate opportunity in Yorkshire

Barnsley Chiropractic Clinic is looking for a new graduate to join our fantastic, yet small team.

We will offer full PRT training and guidance as required by the RCC and BCA, plus much more.

We have been established for over 20 years, with 10000 plus patient base. Situated within a modern and purpose built bespoke clinic.

Good communication skills and a friendly attitude are essential with the desire for a long term commitment. This is a fantastic opportunity to work in a very busy and friendly clinic. The dynamic and pro-active Chiropractor must be proficient in diversified but, other techniques are also widely used.

All PPE and Covid safe protocols are in place and compliant with HSE and PHE.

A self-employed contract with excellent rates of remuneration, plus assistance towards GCC and CPD courses will be offered.

The clinic is very well positioned along the M1 corridor, with easy access to Leeds, Manchester, Sheffield and many other beautiful Yorkshire landmarks.

Manchester, Liverpool, Doncaster, Leeds/Bradford and East Midlands Airports are a short drive away for those check breaks either long or short haul.

Chiropractic and Business mentoring will be provided as needed.
