

WESTDORSET CHIROPRACTIC

Associate Chiropractor position offered in Bridport, West Dorset.

Do you want to live in a thriving coastal market town with beaches, cliffs and fabulous countryside, which has a vibrant arts and music scene; while serving a great local community?

The practice was founded in 2008 and has built strongly by reputation. I'm seeking an associate who has good people skills as well as a sound foundation in adjusting. Ideally you are a graduate with a mature outlook starting at two days a week with the opportunity to extend as your list grows.

Great mentoring offered: Ability to offer PRT mentorship if required, and there is a further opportunity to learn practice management skills.

The ideal candidate will be looking for a long-term career by becoming part of the local community. There would be scope to develop a special interest if you wished. For the right person there may be the opportunity to take over as principal.

The community we serve covers all ages and professions and is a true General Practice with a great local reputation, and with as many as five generations of some families attending.

You will have the opportunity to become part of the practice, not just working in it or for it, by becoming involved in future development plans.

Self employed starting at 50% to be regularly reviewed.
