

Rare Opportunity for Associate Chiropractor Position

Are you a Chiropractor looking for an exciting role in south west of England? If you are an enthusiastic and motivated individual looking to join a passionate team then we would love to hear from you!

We have a rare job opportunity available this summer, of a full-time associate position with a busy well-established patient base. The current chiropractor is moving to be closer to family.

We are a multi-award winning, modern clinic, full of enthusiastic chiropractors, massage/sports therapists and a specialist physiotherapist.

The clinic is based in Cheltenham, which is a beautiful regency town full of brilliant restaurants, events, great schools and plenty of breath-taking countryside walks.

If you or if you know someone who wants to work in a busy clinic with a friendly and dynamic multi-disciplinary team, in a fantastic location for yourself or your family, this is the job for you.

- √ Work as part of a high standard multi-disciplinary team (alongside Chiropractic includes Physiotherapy, Massage, in-house MSK Ultrasound and guided injection clinics)
- √ Regular in-house CPD
- √ Taking over a well-established patient base
- √ 30-35 Clinical hours per week
- √ Work in a multi-award winning, modern clinic
- √ Live in a fantastic location in the beautiful regency town of Cheltenham
- √ Air-conditioned treatment rooms with Atlas treatment tables
- √ Full PRT support and mentorship provided
- √ A self-employed position on a % pay basis

Interested in the job role?

If you feel you would be the perfect fit for this job role then please send a CV and little info about yourself to the Clinic Director, Alexander Broomsgrove, by email at: absportschiro@gmail.com
