

CHIROPRACTIC ASSOCIATE POSITION AVAILABLE

Colchester Chiropractic Centre is a busy, energetic practice that has cared for the local community for over 30 years. We are passionate about providing a professional approach to health care for our patients. We are looking for an enthusiastic, confident, dedicated chiropractor to join our friendly team.

The clinic has 8 treatment rooms to manage the large volume of patients that visit us. There are on site x-ray facilities should patient treatment require it. The clinic is rapidly expanding under new management so full time work is available.

We understand the importance of working in a supportive environment. Therefore we will provide:

- PRT training/mentorship for new graduates.
- Guidance from experienced, enthusiastic chiropractors to further technique and patient management skills.
- Initial GCC registration fee is paid for new graduates.
- Opportunity to work with chiropractors, chiropodists, occupational health and massage therapists.
- Great support to expand knowledge into areas such as rehabilitation techniques, orthotics, iQ therapy and the use of our x-ray facilities.
- A guaranteed minimum retainer for the first 3 months after which salary progresses with regards to treatment numbers.
