

Associate Position in Essex

Exciting Position for a New Graduate

Chiro Health Limited is an award-winning group of long-established clinics based in north Essex. We currently have a vacancy for a chiropractor to join our Stansted clinic. One of our established chiropractors will be leaving shortly making this a great opportunity to build a patient-base quickly. Stansted is well-positioned, 30 min by train to London or Cambridge. This busy commuter area affords you a great quality of life. We may also have other opportunities in our other clinics.

The Directors are both Trustees and Fellows of the Royal College of Chiropractors (RCC). Mark Gurden is the RCC President and Marcel Morelli is Director of RCC PRT and a Fellow of the Sports Faculty. You will be joining a team of busy chiropractors working in a clinic with established links to local GPs and consultants.

All our clinics are well equipped, with shockwave and ultrasound and we also offer our patients acupuncture, exercise rehabilitation and wellness. We have great support staff and run successful marketing campaigns.

We offer excellent training and support with very experienced Chiropractors and PRT trainers. Successful candidates will have excellent working conditions and remuneration. All we require from our Chiropractors is a willingness to work hard and a desire to be part of an extremely successful, progressive team where you will be fully supported with career progression and training by the Directors and staff. We offer an attractive package with high earning potential and help with registration fees and re-location.

If you are interested, please contact us at marcel@greatback.co.uk or mark@greatback.co.uk to discuss.
