

Associate Opportunity in Somerset County Town

Our goal is to create a community that moves better, feels better and performs better. We use a variety of techniques with a diversified core to reduce pain and improve function. Our evidence based, patient centred approach combined with a passion for providing exemplary care has achieved us multi-award winning status.

Summerlands Health is a family run group of multi-disciplinary clinics with an outstanding 45+ year reputation in the heart of beautiful Somerset. As a team we provide an unrivalled and personal patient experience in a modern healthcare setting.

We are looking for a motivated, enthusiastic and confident associate to join our experienced team and be part of an exciting, expanding and successful business.

This opportunity includes:

- Mentorship via Royal College of Chiropractors PRT programme with in-house trainer for recent graduates
- Working within a reputable clinic with strong links to other local healthcare professionals
- Paid Royal College of Chiropractors membership for 1st year providing FREE CPD
- Flexible working hours (30-35 hrs per week) with the ability to increase
- Support and encouragement of continued professional development
- Regular meetings for case discussion
- Percentage based earnings up to 50%

Application criteria:

- GCC registered Chiropractor
- BCA membership
- Experienced or new graduate welcome
- Self employed status
- Committed to continually develop personal and professional skills
- Flexible to work within a team and across multiple sites
- Hardworking with a willingness to develop a strong patient base
- Friendly and professional approach to care
- Position available with immediate start

If you are interested in this exciting opportunity, please send your covering letter and CV to Phil Jones via email: Phil@tauntonchiropractic.co.uk
