

POST: MSK Physiotherapist, Osteopath or
Chiropractor (PRT is supported)

LOCATION: Crouch End Clinic / Highgate Clinic

RESPONSIBLE TO: Clinical Lead Physiotherapist

ACCOUNTABLE TO: Clinical Director

PAY: Commission Split on patients booked.

We are seeking a physio, osteopath or chiropractor to join our team part-time.

The role will be evenings and weekends across North London clinic sites.

Our aim is to provide patients with comprehensive, high quality and professional treatments and rehabilitation to obtain optimum recovery.

We use specific techniques to bring their quality of exercise to a level above where they were pre-injury. Enhancing patient's quality of life: at leisure, in the workplace or on the sports field.

A service driven by the highest quality professionals who provides elite level rehabilitation to all individuals that enter the service.

Our team has successfully worked with local, national and international athletes competing in major sporting events and competitions, and we aim to bring this level of expertise to all patients that enter our service.
