

OUTSTANDING TEESSIDE CLINIC SEEKS GRADUATE ASSOCIATE SUMMER 2022

COMPENSATION: CIRCA £45-50,000 P/A (FTE)

LOCATION: STOCKTON-ON-TEES, TS17 6DA

WHATS ON OFFER

- Mentoring with registered PRT trainer.
- Initial GCC and BCA fees paid.
- Full time equivalent earnings circa £45-50,000 p/a, based on 50/50 percentage patient fees split.
- Min guaranteed income £2,000 p/m for 3 months.
- Support to be patient centred and evidence based, not pressured to be high volume.
- Hours to suit up to full time.
- Links and opportunities with Teesside University chiropractic MSc (Hons).
- Multi-disciplinary practice, a super supportive friendly team including other recent graduates and a lovely vibe.
- Awesome, helpful reception team.
- Regular in house CPD sessions.
- Attractive riverside clinic with Atlas benches in a modern environment with plentiful parking.
- Low cost of living area with easy access to the great outdoors and good transport links.
- Risk assessed Covid safe setting.

WHAT WE'RE LOOKING FOR

- A newly graduated chiropractor.
- An open minded, collaborative inquisitive team player who likes to learn and grow as a practitioner.
- Someone interested in forging and exploring effective patient centred care in an evidence-based context.

ABOUT US

Stockton Chiropractic Clinic was established 24 years ago and is a friendly, busy and growing multidisciplinary practice, built on a shared vision and passion for evidence-based, collaborative and relational practice. Currently we have 3 chiropractors, a physiotherapist and two sports therapists. Take a look at our website www.stocktonchiropractic.co.uk to see what we are about.

We have a very good reputation within the community, including the professional community, and 55% of our referrals are word of mouth. We currently have a new patient waiting list due to demand, and anyone joining us will be very busy.

We are a placement provider for Teesside University's Chiropractic Masters course and have a good relationship with the University; students come to us on a regular basis and we are enjoying being involved in chiropractic education – there may be further opportunities for this as the course grows over the coming years.

The local area includes several major cities including Newcastle, York and Harrogate as well as the Teesside conurbation, with plenty of countryside, coastline and friendly people.

Please call **Kerri Stone**, Clinic Director for an informal chat in the first instance on 01642 633888 or 07809 212278, or email kerri@stocktonchiropractic.co.uk

Our existing Associates Rosie Peacock and Jack Butler are also on hand to have a chat with you about what it's like to work for us – let Kerri know if you'd like to take that opportunity.
