

Duchy Chiropractic Clinic

With spring around the corner, it's a great time to move to sunny Cornwall! If you fancy a chat or would like to know more, please contact me on 07734359457 or liz@duchyclinic.co.uk. I have an ever growing patient base with a new patient waiting list awaiting the right person to join our team. Although initially a maternity cover, we are growing week on week despite the lockdown measures currently in place. Demand is already outstripping our existing Chiropractors and so we will be offering a long-term employed position.

I will offer in-house as well as an externally based mentoring programme to help support you through your PRT year. If you are already part way through, we will happily continue taking you through the steps needed to get the most value from the experience. In addition to Chiropractic, have massage therapists and a Homeopath to complement our holistic approach to healthcare.

That number again is 07734359457 to find out more about this great opportunity. I look forward to hearing from you!
