

We are looking for a full time associate chiropractor to take over a busy existing patient base in Cardiff. The Llandaff Clinic is an award-winning (Royal College of Chiropractors PPQM, 2014-present), multi-disciplinary clinic. We are evidence-based, patient centred, aiming to tailor advice and treatment to the needs of the patient. We currently have an in-house podiatrist, physiotherapist, acupuncture, sports massage and dietitian. The clinic was established in 1997 and has a reputation for a professional, specific diagnostic approach that is well known and respected in the area.

The position is ideally full time but the hours can be negotiated to suit the right candidate. We are looking for an enthusiastic motivated chiropractor, either with experience or a new graduate, to start May/June 2022. For new graduates, the position would include full RCC PRT mentoring. Principle chiropractor is an experienced PRT tutor with over 28 years' clinical experience and will help and support the successful applicant with a view to developing knowledge and skills to extremely high standards.

For more information please send CV and a covering letter to: Jude Miles,
