

## CHIROPRACTORS REQUIRED

EXCELLENT OPPORTUNITY TO JOIN ONE OF OUR AWARD  
WINNING CLINICS

## ISIS CHIROPRACTIC CENTRES

Due to patient volume we are currently looking for Chiropractors at our clinics in Buckinghamshire and Northamptonshire which have been established for over 30 years.

The positions are open to experienced Chiropractors and graduates.

We have a full mentorship programme for new graduates. A current member of our team has this to say about working with us "I joined Isis Chiropractic Centres as a new graduate and I have now been at the clinic for over three years. The owner's, Per and Jatinder, have vast experience and have been fantastic in mentoring me throughout this time. As a result, I have been able to establish a full patient base with their support along with the fantastic friendly

environment within the clinics."

Both vacancies are due to expansion and have an earning potential of around £40,000 in the first year, with a potential to grow to the region of £80,000 p.a. GCC Fees and Associate Fees are also paid for in the first year. Both positions are Associate Posts, suitable for a PRT candidate and are full time positions with a 37 hour working week.

All of our Clinics are of a high standard, multi disciplinary with the latest modalities including digital x-ray facilities, shockwave machines, low level laser therapy and radio frequency. As well as on-site rehabilitation gyms and on-site massage therapists.

Both clinics are situated within excellent areas and with excellent travel links with London.
