

Haverhill Chiropractic Centre

Haverhill, Suffolk

Full time position and 2 to 3 days part time also available in a busy practice established over 30 years ago.

One to one mentorship with an experienced PRT Trainer provides an excellent opportunity to develop your full potential with emphasis on technique and patient management skills.

Located 30 minutes from Stansted Airport and 20 minutes from Cambridge in a growing town. We have 7 treatment rooms and digital X-ray facilities. An enthusiastic team around you will assist the growth of your own patient list in a supportive environment with 2 other Chiropractors.

We use predominantly manual diversified techniques, although the practice has a range of equipment including PAMM, ultrasound therapy, IQ Intelligent Activator etc. If you are already working or starting your own practice, boost your income by working an extra 2-3 days a week by mutual agreement.

Initial GCC registration fees paid for new graduates.
