

London Chiropractic Associate Vacancy

Associate Position - Northwest London, Edgware

Long established, thriving family practise is looking for an associate with the Big Idea.

We offer:

- An employed / self-employed position.
- Guaranteed basic.
- Competitive commission-based remuneration.
- Career progression opportunities, with PRT training, 121 mentoring and technique training in SOT, Gonstead, Thompson and Diversified with a 35 year experienced Craniopath and instructor.

With our support and scope of patients ranging from neuromechanical problems, visceral disorders, sports injuries, geriatrics and paediatrics, SpineLab has a fantastic opportunity not to be missed.

The clinic is 15 mins from St Pancras, on the Thameslink. We are within easy reach of our great capital, what more could you want. Edgware itself is on the northwest edge of London with affordable accommodation, great schools nearby and benefits from being close to the wonderful attractions of London and moments away from green belt countryside of Hertfordshire and Middlesex. What more to create that great work life balance.
