

Associate Position Available, Leeds

Revive Chiropractic was established in 2010 and we are based 3 miles from Leeds City Centre in the affluent suburb of Adel. We are expanding and looking for a chiropractor to join our team.

What are we looking for?

- A part-time or full time associate with the option of employed or self-employed status
- Clinic sessions are either am or pm, leaving you some flexibility in your day to enjoy time outside of work
- A willingness to offer a Saturday morning clinic would be an advantage (we may be flexible for the right candidate)
- We offer a 1hr new patient appointment and 30 or 40 minute follow up appointments
- An interest in treating an active population would be favourable as the clinic is seeing an increasing number of runners, cyclists and professional athletes
- Your rehab and soft tissue skills should be just as important to you as your adjustments

What can you expect from Revive Chiropractic?

- Marketing strategies in place to build your patient list quickly
- Owner & principal chiropractor works at the clinic 3 days a week and will be available for help and support if needed
- A supportive and nurturing clinic environment, our current associate has been here for 5+ years
- Regular clinic CPD meetings to discuss cases and clinical interests
- PRT support and mentorship if required

Please send a CV and a covering letter, explaining why you are interested in the position to alison@revivechiropractic.co.uk

Alternatively, call 07963 506698 to speak to the clinic owner, for an informal chat prior to your application.
