Health Centre

We are looking for an enthusiastic and motivated chiropractor to join our team at our friendly practice in the Hampshire countryside. We have a multidisciplinary team where we utilise techniques including diversified, SOT, acupuncture/dry needling, sports massage, and laser treatments. As well as a wide patient base, we have great relationships with the local community, including the rugby club, the leisure centre and the workers at the MOD HQ. This leads to a diverse patient base ranging from marathon runners to sedentary office workers and everyone in between.
