

King's Lynn **Chiropractic Clinic** Ltd

Chiropractor wanted!

Keen, committed chiropractor required for permanent position, either part-time or full-time. We're looking for a skilled and enthusiastic practitioner for our small, friendly team, able to develop good patient relationships and provide top quality care to them. We'd expect a whole-hearted commitment to the clinic and its patients.

In return we'll support you, value your skills, encourage your ambition and give you the professional freedom to work in a way that suits you.

We welcome either an experienced chiropractor

or a new graduate: principal will act as trainer and pay PRT fees if necessary. One of our clinicians will be happy to talk to you about their experience of working here.

The King's Lynn Chiropractic Clinic has been established for many years, and serves the town of about 40,000 plus the surrounding area. The clinic offers therapeutic ultrasound, and there is also an exercise/rehab space (currently not in use) for someone who wishes to develop this aspect of their career.

King's Lynn is a short drive from Thetford forest, Royal Sandringham and the nature reserves of the North Norfolk coast, but within an hour of Norwich and Cambridge:
