Discover who we are, today, watch our video below:

### We have the opportunity that you need.

You will have **access to training, mentoring and support** in your **early career as a Chiropractor**. This training will include first class one to one onsite support from PRT accredited mentor.

We have a great location, based in the **Greater Manchester** area of **Bolton**. With fantastic transport links, the countryside, with a **large young professional presence**.

Working with us includes a **monthly salary**, and achievable **bonuses**, fees paid in an employed position. GCC fees will be paid for your first year. **PRT training and we have experience in international sponsorship.**

### Our Values

At **Bolton Spinal Health** we have values such as **positivity, personal experience, and partnerships** to help **support** our **guests** and our **colleagues**. We want to help our guests **live life to the full**

**Email us your CV, and any questions you have. We look forward to hearing from you.**

# Bolton Spinal Health

## The Details

We are Bolton Spinal Health, a **Bolton based chiropractic and massage therapy clinic** who also treat patients with the latest technology of **IDD Therapy Spinal Decompression and Radial Shockwave.**

**We are offering a full-time employed position for a postgraduate** to take over an existing patient base. We want to help ensure that your transition from university is fully supported.

**We are only 9 miles Northwest from the centre of Manchester, with onsite parking and transport links.**

We are a positive close knit multi disciplinary team, working together to not only serve our guests through our core values: Personal, Partnership and Positivity, **we are able to support and give opportunities to all those employed at Bolton Spinal Health.**

### What can we offer you?

**TEAM** - We are a friendly team who work together to achieve our goals. **We have a relaxed team environment, which allows for a fun, stress free atmosphere and support as we are all dedicated to the same goals.** We hold regular team meetings and fun events

**PATIENTS** - Bolton Spinal Health is continually growing. We help all those who walk through our doors as we want them to live life to the fullest.

**SUPPORT & MENTORING** - We can offer you support, one to one training and advice from PRT registered mentors. We want to build up your confidence, and help you achieve what you want in your career. No need to worry about marketing as **we will take care of all your marketing needs, you will be fully supported by a team of experienced CAs and Practice Manager.** There will be **on-site training, this is a month long focus so we can support you in the best way.** There is also the addition of a **yearly CPD paid training budget to assist you** with ongoing training in your chosen field of special interest.

**SALARY** - You will earn a **monthly guaranteed salary of £1940.00, plus achievable bonuses, and enrolment into our Pension Scheme. Your GCC fees for your first year will be covered.**

**FLEXIBILITY** - You will **work no more than 6 hours a shift with patient bookings.** From days starting at 8am, to the latest shift ending at 7pm.

**SPONSORSHIP** - We are **experienced in sponsoring international graduates**
